

Slovguide is a comprehensive and entirely free online guide specifically created to support Ukrainians living in or planning to move to Slovakia. Our primary mission is to simplify the complex process of adaptation and integration into a new country. We provide detailed, up-to-date, and easy-to-understand information on all essential aspects of everyday life. This includes step-by-step instructions on obtaining legal residence and temporary protection, practical advice for navigating the local job market and understanding labor laws, tips for finding safe housing.
